Asheboro City Schools

THE BIG PICTURE | COUNTY CONTEXT FOR YOUR DISTRICT

Randolph County: estimated homeschool enrollment is 4.0% higher than in 2022-23. Opportunity Scholarship funding for county residents is 254.8% higher over the same period. These trends describe different student populations and do not establish transfers from public schools.

2,732	11.7%	4 of 18
Estimated homeschool students	**County homeschool share**	**County share position**
2025-26	**2024-25**	**Highest share = 1**

Across the TIP member network

The 20 member districts represent **18 county markets**. County homeschool shares range from **3.5% to 14.6%** in the matched 2024-25 data. Randolph County's 11.7% places it 4 of 18 by share. This is a county comparison, not a district performance ranking. [1, 2]

Your four-year homeschool snapshot

School year	Estimated students	Registered home schools
2022-23	2,626	1,651
2023-24	2,900	1,831
2024-25	3,010	1,948
2025-26	2,732	1,771

Students and registered schools are different measures. Registry cleanup may affect the 2025-26 change; a decrease does not show that students entered district schools. [1]

The county education landscape | 2024-25

Of 25,657 students across the four-sector compilation: **74.9% district public**, 8.6% charter, 4.8% private, and 11.7% homeschool. Market share uses matching-year sector data; it is not calculated with the newer 2025-26 counts. [2]

Geography matters

Randolph County includes Asheboro City Schools and Randolph County Schools. County homeschool totals cannot be assigned solely to Asheboro City.

All figures here describe the county. They are not exact district-resident counts. Public and private enrollment can include cross-county attendance.

RANDOLPH COUNTY | LEADERSHIP SNAPSHOT

$7,544,991

Opportunity Scholarships disbursed

County residents | 2025-26

1,449

Scholarship recipients

County residents | 2025-26

Four-year Opportunity Scholarship snapshot

School year	Recipients	Funds disbursed
2022-23	465	$2,126,658
2023-24	587	$2,913,285
2024-25	1,179	$5,783,669
2025-26	1,449	$7,544,991

These are NCSEAA final year-end payments for private-school tuition and required fees, not award offers or budgets. Opportunity Scholarships exclude ESA+. [3]

County residents and school locations are different

9 private schools are listed in Randolph County in DNPE's January 2026 directory. Scholarship recipients may attend schools outside the county; schools inside it may serve residents of other counties. Directory counts are a separate snapshot, not a historical roster for all four years. [4]

Statewide, Opportunity Scholarship disbursements increased from **$134.6 million** in 2022-23 to **$589.0 million** in 2025-26. County funding does not identify a district budget loss or students' prior schools. [3]

Questions for district leadership

1. How do these county trends compare with district withdrawals, re-enrollment, and family feedback?
2. Which family priorities could inform recruitment, retention, or new program offerings?
3. What district-of-residence data would clarify the county picture for districts sharing this county?

Elizabeth City-Pasquotank Public Schools

THE BIG PICTURE | COUNTY CONTEXT FOR YOUR DISTRICT

Pasquotank County: estimated homeschool enrollment is 6.7% lower than in 2022-23. Opportunity Scholarship funding for county residents is 289.6% higher over the same period. These trends describe different student populations and do not establish transfers from public schools.

512	7.9%	9 of 18
Estimated homeschool students	**County homeschool share**	**County share position**
2025-26	**2024-25**	**Highest share = 1**

Across the TIP member network

The 20 member districts represent **18 county markets**. County homeschool shares range from **3.5% to 14.6%** in the matched 2024-25 data. Pasquotank County's 7.9% places it 9 of 18 by share. This is a county comparison, not a district performance ranking. [1, 2]

Your four-year homeschool snapshot

School year	Estimated students	Registered home schools
2022-23	549	313
2023-24	487	278
2024-25	523	316
2025-26	512	305

Students and registered schools are different measures. Registry cleanup may affect the 2025-26 change; a decrease does not show that students entered district schools. [1]

The county education landscape | 2024-25

Of 6,634 students across the four-sector compilation: **68.9% district public**, 11.3% charter, 12.0% private, and 7.9% homeschool. Market share uses matching-year sector data; it is not calculated with the newer 2025-26 counts. [2]

Geography matters

County-level enrollment provides broad context for this district. Cross-county attendance and differences in sector definitions limit precise resident market-share comparisons.

All figures here describe the county. They are not exact district-resident counts. Public and private enrollment can include cross-county attendance.

Scholarship recipients

County residents | 2025-26

Four-year Opportunity Scholarship snapshot

School year	Recipients	Funds disbursed
2022-23	215	$799,355
2023-24	303	$1,207,408
2024-25	491	$2,218,349
2025-26	599	$3,114,345

These are NCSEAA final year-end payments for private-school tuition and required fees, not award offers or budgets. Opportunity Scholarships exclude ESA+. [3]

County residents and school locations are different

8 private schools are listed in Pasquotank County in DNPE's January 2026 directory. Scholarship recipients may attend schools outside the county; schools inside it may serve residents of other counties. Directory counts are a separate snapshot, not a historical roster for all four years. [4]

Statewide, Opportunity Scholarship disbursements increased from **$134.6 million** in 2022-23 to **$589.0 million** in 2025-26. County funding does not identify a district budget loss or students' prior schools. [3]

Questions for district leadership

1. How do these county trends compare with district withdrawals, re-enrollment, and family feedback?
2. Which family priorities could inform recruitment, retention, or new program offerings?
3. What district-of-residence data would clarify the county picture?

Sampson County Schools

THE BIG PICTURE | COUNTY CONTEXT FOR YOUR DISTRICT

Sampson County: estimated homeschool enrollment is 19.0% higher than in 2022-23. Opportunity Scholarship funding for county residents is 206.7% higher over the same period. These trends describe different student populations and do not establish transfers from public schools.

538	4.3%	17 of 18
Estimated homeschool students	**County homeschool share**	**County share position**
2025-26	**2024-25**	**Highest share = 1**

Across the TIP member network

The 20 member districts represent **18 county markets**. County homeschool shares range from **3.5% to 14.6%** in the matched 2024-25 data. Sampson County's 4.3% places it 17 of 18 by share. This is a county comparison, not a district performance ranking. [1, 2]

Your four-year homeschool snapshot

School year	Estimated students	Registered home schools
2022-23	452	273
2023-24	428	264
2024-25	519	330
2025-26	538	345

Students and registered schools are different measures. Registry cleanup may affect the 2025-26 change; a decrease does not show that students entered district schools. [1]

The county education landscape | 2024-25

Of 12,200 students across the four-sector compilation: **86.7% district public**, 0.0% charter, 9.0% private, and 4.3% homeschool. Market share uses matching-year sector data; it is not calculated with the newer 2025-26 counts. [2]

Geography matters

Clinton City Schools is a separate district within Sampson County. These figures describe the entire county.

All figures here describe the county. They are not exact district-resident counts. Public and private enrollment can include cross-county attendance.

Scholarship recipients

County residents | 2025-26

Four-year Opportunity Scholarship snapshot

School year	Recipients	Funds disbursed
2022-23	313	$1,699,567
2023-24	389	$2,233,609
2024-25	722	$4,158,293
2025-26	874	$5,213,310

These are NCSEAA final year-end payments for private-school tuition and required fees, not award offers or budgets. Opportunity Scholarships exclude ESA+. [3]

County residents and school locations are different

8 private schools are listed in Sampson County in DNPE's January 2026 directory. Scholarship recipients may attend schools outside the county; schools inside it may serve residents of other counties. Directory counts are a separate snapshot, not a historical roster for all four years. [4]

Statewide, Opportunity Scholarship disbursements increased from **$134.6 million** in 2022-23 to **$589.0 million** in 2025-26. County funding does not identify a district budget loss or students' prior schools. [3]

Questions for district leadership

1. How do these county trends compare with district withdrawals, re-enrollment, and family feedback?
2. Which family priorities could inform recruitment, retention, or new program offerings?
3. What district-of-residence data would clarify the county picture for districts sharing this county?
